CHICAGO, WEDNESDAY, JUNE 25, 1913.

PRICE 5 CENTS

HAMILTON CARD GOOD ONE

ONLY HORRON, KLEBURNE, BUSKIN AND FIRST SIGHT NAMED FOR DERBY.

Hawthorn Entered for Overnight Sprinting Race and Little Nephew Scheduled to Meet Speedy Davies Filly, Southern Maid, in Juvenile Event.

Hamilton, Ont., June 24.—The Hamilton Jockey Club offers its patrons a seven-race program for the opening day of its first 1913 meeting with the Hamilton Derby the Hopeful Purse for two-year olds and the Ancaster Steeplechase over the two-mile course as the special features. There is also to be a race over the turf course. Hamilton is the only track in Canada that can boast of such a course and these races are apparently popular with horsemen, for they always bring out large fields. There were twenty entries for this race tomorrow, but the track limit here is twelve, and so eight of the number are on the also eligible list.

The smallest field of the day is named for the Derby for which there are only four entries—First Sight, Buskin, Horron, and Kleburne. The last named two will be coupled as the Amos Turney entry. The absence of Hawthorn is a keen disappointment to the club, as it was supposed he would be a certain starter after his brilliant work of a few days ago.

In the Hopeful purse, Little Nephew, the crack youngster from Kentucky, will meet Southern Maid, the unbeaten filly of the Davies stable. The latter is as fast as 'a bullet and she will be well backed by the Canadians to beat Little Nephew. At the difference in weights, it is regarded as doubtful if she can do it.

Hawthorn is named as a starter in the opener, a dash of six furlongs. He gets in this race with light weight and with only 32 pounds up it would not be surprising to see him create a new track record for the distance.

The card is probably the best that has been offered on the Canadian circuit this season and with the weather forceast calling for a fine day and the track in splendid shape a big crowd is looked for. There will be two special trains from Toronto and another from Buffalo.

A. N., Elrod, manager of the betting ring, has a long list of applications from layers and it is expected that close to fifty will be in line.

Jockey Schuttinger is expected here from New York tomorrow. He will ride for J. Woods Garth during the Hamilt

on a number of a trainers and jockeys.

NAIAD WINS ASTORIA STAKES.

R. T. Wilson Earns Honor of Acting as Host to Other Owners Represented in Race.

New York, June 24.—The Astoria Stakes, for two Year-old fillies, by subscription of \$200 each, the famous dinner race that was formerly a feature of spring racing at Gravesend, was decided at Belment Park this afternoon and R. T. Wilson is the lucky owner who will act as host, as his filly Naiad was returned the winner. It was far from being a truly run race, however. Naiad was bumped by Flitaway at the start, but Wolfe was quick enough to take her up, and then send her towards the rail. By doing this, he got clear of the others and, while they were bearing to the outside, Naiad took the shortest way home and won by a length. Anytime swerved to the outer rail and fluished there, a length before the favorite, Early Rose. The lastnamed was badly interfered with by Flitaway when the latter swerved out after the start, so much so that she was knocked out of her stride and at one time was in last place. She closed much ground and finished a good third. With clear sailing the chances are that she would have won. On account of swerving at the start, Flitaway lost a lot of ground and the best she could do was to finish fourth.

The remainder of the races furnished interesting contests that were thoroughly enjoyed by the 5,000 persons present, more so as three favorites won. Sandhill fook the secondary feature, a handleap at one mile and three furlongs, leading throughout and winning in a canter.

The thirty-six yearlings that James Butler purchased some time up have been shipped.

HELIOS HAS A CLOSE CALL.

Champion Two-Year-Old of 1912 Starts His Three Year-Old Season with a Victory.

Cincinnati, O., June 21.—In the fourth race at Latonia this afternoon J.N.Camelen's Helios, accounted last season to be the champlon two-year-old, narrowly escaped being defeated by the mediocre U Steppa, an extreme outsider in the betting. One stride beyond the finish. U Steppa was in the lead, It was Helios' first effort this season and doubt as to his fitness to run well in the difficult going caused only faint-hearted support to be accorded him, though he ruled the tavorite. He showed a flash of his two-year-old form during the early running by keeping pace with the speedy Pan Zareta and then passed her when his rider got rady. In the stretch he began to tire and Steele was forced to exert his best efforts to keep him going long enough to cross the finish a scant head in advance of U Steppa. The latter came with a great rush in the last furnong and at the finish appeared to be going two pressure, managed to wear down Pan Zareta for hisd place. Solar Star, another crack invenile of last season, made his three-year-old debut in this race, but he rad disappointingly and finished last. Helios undoubtedly will be benefited by this race and Solar Star, another crack invenile of last season, made his three-year-old debut in this race, but he rad disappointingly and finished last. Helios undoubtedly will be benefited by this race and Solar Star should also show to better advantage hereafter.

Today's track was difficult and puzzling. It was dry on top, but decidedly moist under the surface, particularly close to the inner rail and those essaying on the inside came to grief in short order after a promising beginning. The cause for the track being so much worse near the inner rail was due to Superintendeut Keegan's compliance with the demand by some horsemen that the "dogs" be kept off to cnable horses to gallop on the inside strip. Formerly it was Keenan's custom to fence off the inside particular to the first particular

at the Windsor track.
Richard Dwyer, who came here in the interest of the Porter, Ind., meeting, departed last night for Chicago.

T. P. Hayes has decided to ship his string, which includes the Kentucky Derhy winner. Donerail, and the horses he is training for H. P. Headley, to Windsor at the close of racing here. J. C. Milam's stable will also be sent to Windsor.

Clay Bros,' horses will be transferred to Saratoga in the near future.

Helios, Wilhite and Milton B., comprising the three-horse combination, paid \$24.50, the shortest three-horse price recorded since this form of wagering was installed. The two-horse combination, consisting of Korfhage and Dr. Waldo Briggs, paid \$42.65.

Threatening weather did not deter a big crowd from being on hand. It rained coplously in the city during the afternoon, but the track and its vicinity escaped with a sprinkle.

The betting was again of fair volume.

NOT GUILTY OF BOOKMAKING.

New York Judge Dismisses Case Brought Against Belmont Park Bettors.

New York, June 24.—County Judge James P. Niemann sitting as a committing magistrate at Mine-ola, L. I., dismissed today the proceedings brought by District Attorney Wysong against five men whom Burns detectives, in the employ of the New York American, charged with bookmaking at the Belmont Park race track. In a lengthy opinion, Judge Niemann held that no evidence had been presented to show that the men were guilty of bookmaking, though detectives made bets with them.

The question to be decided, he said, was "whether or not the facts stated by the witnesses give ground for the belief that these defendants have been guilty of the crime of bookmaking within the meaning of that term as used in section 986 of the penal law."

This, he held, had not been done. He quoted at length from an opinion by Supreme Court Justice Haight in which he defined bookmaking, and held that he showed a bookmaker to be one who made bets by a system and as a business, and had a clerk who kept a record of the bets and the numbers of the bettors as shown by their racing admission badges. The Hart-Agnew law, he said, had not changed the status of bookmaking much, though now it might be divided into two classes, written bookmaking and oral bookmaking. The former was probibited by the Hart-Agnew law and the latter was not. Oral bookmaking was probibited by a later amendment, however, and is as illegal as written bookmaking, if that term be employed, that is bookmaking without writing, but the evidence must show that the accused person belonged to that class of gamesters whose operations are conducted upon the scheme known as bookmaking."

MORE RAIN FALLS AT ALAN.

Spokane, Wash. June 24.—A heavy downpour f rain occurred while the horses were on their way of the post in the third race and continued during the running. It was the closest finish that has taken place during the meeting, four borses passing the judges noses apart. Lieut, Sawyer, after appearing to be a forlorn hope, came with a terrific end rush and received the verdict by a nose, Oscuro followed and got second place, and by the same margin Stoneman, which had cut out the pace, faltered in the last twenty yards and finished fourth.

JIMMY LANE REPORTED DEAD.

A report came from the east to the effect that Gwyn Tompkins' famous old jumper, Jimmy Lane, which was retired to a life of ease in Virginia last fall after a notable career on the turf, is dead. He had the reputation of having won more races through the field than any other horse in the history of steeplechasing. At any rate, his record is a good one and is as follows:
